## HOMEWORK SUPPORT CONTRACT

I, \_\_\_\_\_, agree to adhere to the following guidelines in order to participate in the Homework Support Program at Mephram High School.

I understand that I will be asked to withdraw from the program if I do not follow them.

### GUIDELINES

- I will arrive on time with all my necessary books and notebooks and be ready to work.
- I will be respectful of the tutors and other students.
- I will seek solutions in such a way that will give me a better understanding of the work that I need to accomplish.
- I will not demand the attention of a tutor while he/she is engaged with another student, understanding that I am not the only person who needs attention.
- I will remain in the library during the entire time of the session.
- I understand that the tutors are not there to do my homework for me but provide me with the tools necessary to complete it on my own.
- I will be generous with my time if another student needs help with something that I have just mastered.
- I will stretch as much as I can in order to achieve my goals.
- I will attend extra help sessions with my teachers as often as possible.
